

PTFA NEWS LETTER JULY 2010

Welcome to this month's PTFA News Letter!

The aim of this is to keep you all up to date on what is planned over the coming year, how all your hard work has helped the school and in turn the children.

1. The PTFA are going to buy another bike rack as more children are cycling to school.
2. The wendy house in the play ground is to be repaired , painted and generally made tidier.
3. The bench outside pre school is to be repaired.
4. Information boards are to go up on/near the gazebo to keep parents informed of upcoming events/news.

Tuck Shop

In the 5 weeks the tuck shop has been going you have donated enough tuck for us to raise £160.00, a big thank you to all parents for supporting it. From September the school will be taking over the tuck shop, buying and selling produce that fits into the governments Healthy Schools Programme. The children will be running the shop on a Wednesday as before.

I know a lot of parents enjoyed making things with the children to bring in, we will still need your skills for other events so keep the aprons out!

25th July –St. James`s Day

Great news for the school we have had a stall donated by Steve Cowley, he has very kindly stocked our stall with his home grown potatoes "CREAM OF THE CROP", all profits from the stall go straight back to the school. No baking required!! however we do need people on the day to run the stall in shifts. Jane Randall is working out a rota and will be asking for help. St.James day is the same day that the children have been asked to do their country dancing in the square , so if you could spare us some time to help sell some spuds, we would be grateful.

Car Boot 4th July.

The car boot was a huge success we made a profit of £450.00, thank you to all who donated time, had stalls and gave things to the stall.

NEXT CAR BOOT SUNDAY 8TH AUGUST – We need more things to sell on the stall, and in addition to the hot food we sold we will be doing a market style stall, we need whole cakes to sell, along with any home made/ grown produce.

Pickles,jams,vegetables ,salads ,flowers anything you feel would suit a market stall. The shed in the car park will be open for bric-a-brac on the run up to the day,however we would need the food on the morning, delivered to the stall. We appreciate it is in the holidays but it may be a fun way to keep the kids amused by making jams etc! We would love you to join us on the day and give us a hand (it is fun) honest!. Please put the attached Car Boot Poster either in your car or in a prominent position in your local area.

Carnival 14th August

Yarmouth school are doing their own carnival ,due to time factors we will not be able to join with Shalfleet this year.

As it is the 100 year anniversary of the carnival we are going with the theme of Victorian children (and adults) you could do school children, chimney sweeps anything with the Victorian theme. We will meet at the school 23

As two of these events are in the summer holidays, if you need any more information Tanya`s no. Is 07737 039567

Next PTFA MEETING SEPTEMBER 15TH 6PM ALL WELCOME
