Dear Parents,

Responsible Internet Use.

As part of your child's curriculum and the development of ICT skills, Yarmouth CE Primary School is providing supervised access to the Internet. We believe that the use of the Web and e-mail is worthwhile and an essential tool for children as they grow up in the modern world. Please would you read the rules for responsible Internet Use and sign and return the consent form so that your child may use the Internet at school.

Although there have been some concerns about pupils having access to undesirable materials, we are taking positive steps to deal with this risk in school. Our school Internet access provider operates a filtering system that restricts access to inappropriate materials.

Please return this form as soon as possible. If you have any concerns please contact me.

Yours sincerely,
